### Pro Office from Salt Business: Combined Internet and fixed network power for small businesses – at an unbeatable price

The more than 540,000 small and micro-businesses in Switzerland have a reason to be excited, because now the new Pro Office from Salt Business is here. For only CHF 39.95/month, this combined Internet/fixed-network package offers ultra-fast up to 10 Gbit/s Internet and five fixed-network numbers, with unlimited calls to Swiss fixed-networks and mobile numbers. With the new offer, combined with Pro Mobile subscriptions, Salt Business steps up as a full-service provider in the business segment. [www.salt.ch/pro-office](http://www.salt.ch/pro-office)

#### The fastest Internet with up to 10 Gbit/s download and upload speed

Pro Office from Salt Business offers the most powerful Internet in Switzerland, with up to 10 Gbit/s download and upload speed and five fixed network numbers with useful functions such as call waiting, call forwarding, call transfer, or blocking of calls. With each device, an unlimited number of fixed and mobile network numbers can be called in Switzerland and Liechtenstein, and voice messages recorded. The high upload and download speeds of the Salt fiber optic network guarantee a first-class user experience for video conferences and cloud services.

Salt CEO Pascal Grieder comments on the latest business offering: *“Pro Office is a milestone for Salt Business, rounding off our portfolio of solutions for businesses. With Pro Office and Pro Mobile, we can offer small businesses excellent Internet, fixed-network, and mobile services from one source. Thanks to our extremely large network bandwidths and excellent customer service, we clearly stand out from the competition.”*

#### Reception in the entire company thanks to included Wi-Fi repeater

The Salt Fiber Box X6, with quad-core processor and state-of-the-art Wi-Fi mesh technology, allows easy wireless use and large bandwidths. Over Ethernet ports, peripheral equipment such as printers can be easily connected and shared with others. The package also includes a Wi-Fi 6 repeater, which allows expansion of Wi-Fi coverage via plug & play – ideal for small businesses with large production or storage facilities, for example.

## Press release

### The best business service hotline in Switzerland

In a significant test done by the trade magazine connect (broadband service hotline test), the service hotline from Salt Business was awarded the rating “Best in Test”. Pro Office customers profit from this excellent Pro Support. You receive personal installation assistance right to the first successful log-in, and even the migration of existing fixed-network numbers is accomplished without any hassles. In ongoing operations, you receive quick help from the high-availability Salt Business Hotline and the intuitive My Business Account customer portal.

**Christian Aveni, Chief Business Officer at Salt**, is excited about the new Pro Office: *“Market studies show enormous potential in the small business segment in Switzerland. This target group is looking for straightforward but powerful complete packages and high-availability expert support for provider changes. Pro Office from Salt Business offers both at a sensational price: Our prices are twice as low as Sunrise and even three times as low as Swisscom – with the same scope of services.”*

### Top price/performance ratio: Pro Office costs only CHF 39.95 per month

The new Pro Office is available for only CHF 39.95 per month with the simultaneous purchase of any Salt Business Pro Mobile subscription or for existing Mobile Pro customers. Available without mobile subscription for the similarly low price of CHF 59.95 per month.
